In 1958, President Dwight D. Eisenhower established Law Day as a day of national dedication to the principles of government under law.

*The 2024 Law Day theme "Voices of Democracy" recognizes that in democracies, the people rule. For nearly 250 years, Americans have expressed their political views and wishes by speaking their minds and voting in elections. In 2024, the United States will hold its 60th presidential election, and Americans will address fundamental questions about democracy and the rule of law.*

Tim Alexander, Esq., is a dedicated public servant and attorney who resides in Galloway, New Jersey. He has a distinguished career spanning law enforcement and legal practice. He has devoted his professional life to upholding civil rights, ensuring fair employment practices, and championing whistleblower protections across New Jersey and Pennsylvania.

Please join us on this day set aside to celebrate the rule of law.
